Example: If your final Hanze transcript comprised of a 6.5, 8, and 8.5, your grades would be as follows:

6.5 equates to 3.4 ISU grade points
8 equates to 4 ISU grade points
8.5 equates to 4 ISU grade points

3.4 + 4 + 4 = 11.4/3 strands = 3.8
Your final grade would be an A.

Grade Articulation Process

Upon your program completion, an official transcript from your host institution will be sent to the Office of International Studies and Programs. Upon receipt, your transcript will be forwarded to the Office of the Registrar for evaluation. Your transcript and Academic Planning Form will be used together to determine the ISU equivalent credit, which will be entered into your ISU grade report. All grades earned during study abroad will impact your ISU cumulative GPA.

Please see the transcript section of the study abroad website for details on estimated processing time as well as how to view your grades.
